Teacher's day celebration 2021

Staff club of Jyothi Engineering College, Cheruthuruthy conducted a webinar on 6th September 2021 at 3pm in connection with Teacher's day 2021. The theme of 2021 teacher's day is "young Teacher's Future of profession". The function started with silent prayer. Rev. Dr. Jose Kannampuzha, Director of Academics, gave the welcome address. Rev. Fr. Roy Joseph Vadakkan, Secretary & Campus Head, gave a special address to the faculty of JECC. Chief guest was Dr. Job Kurian, Retd, Professor, Dept. of Aero Space Engineering, IIT Madras. He gave a beautiful message on how to be a good teacher. He also commented on the tips for a good teacher. Vote of thanks was done by Ms Minu Jos K, AP, BSH. The programme ended with national anthem by 4.10 pm

54th ENGINEERS' DAY

54th Engineers' Day Celebrations' was organized by IE(I) in association with department of Computer Science & Engineering on 18th September 2021 at 10.00 AM through google meet. The chief Guest of the day was Prof. K.V.Varkey Pattimattom, Former Managing Director of Hindustan Antibiotics Ltd, Pune. Around 85 participants attended the event. The chief guest Prof. K.V. Varkey Pattimattom, Former managing director of Hindustan Antibiotics Ltd, Pune delivered the inaugural address and officially inaugurated the event. Mr. Sasidharan Achari M N MIE, honorary secretary, IEI Local center Thrissur facilitated the gathering. After that, Prof. K.V. Varkey Pattimattom, Former managing director of Hindustan Antibiotics Ltd, Pune delivered an informative session on the theme "Engineers for Skill Development & Employment in Combating COVID". In his session he explained the Engineers' role in combating COVID, prevention of the pandemic by Engineering, post-COVID economic growth & sustenance.

Faculty Achievements

Dr. Alwyn Varghese felicitated an international online lecture series conducted by the department of geology, Sahrdaya college of advanced studies.

Ms. Carol Varghese Published "Mode Choice Analysis: Conventional and Advanced approaches" in International Research Journal of Engineering and Technology", Vol. 8, Issue 7, July 2021

Ms. Soorya M Nair successfully participated in an online International Faculty Development Programme (FDP) on The Art of Doing Research jointly organized by Jyothi Engineering College, Thrissur, India, CHRIST (Deemed to be University), Bangalore, India and Pelita Bangsa University, Indonesia in association with Internal Quality Assurance Cell (IQAC), Jyothi Engineering College, Thrissur, India during 12-22 July, 2021.

Ms. Soorya M Nair actively participated in an online ATAL FDP on "Emerging Topics in Civil Engineering" from 27/07/2021 to 31/07/2021 at IET Lucknow.

Ms. Neeraja P G successfully participated in an online International Faculty Development Programme (FDP) on The Art of Doing Research jointly organized by Jyothi Engineering College, Thrissur, India, CHRIST (Deemed to be University), Bangalore, India and Pelita Bangsa University, Indonesia in association with Internal Quality Assurance Cell (IQAC), Jyothi Engineering College, Thrissur, India during 12-22 July, 2021.

Dr. Alwyn Varghese felicitated an international online lecture series conducted by the department of geology, Sahrdaya college of advanced studies.

Dr. Alwyn Varghese successfully completed a course titled Building Resilience with certification from Linked in LEARNING.

Dr. Alwyn Varghese successfully completed a course titled Embracing Unexpected Change with certification from Linked in LEARNING.

Ms. Soorya M Nair joined for Doctor of Philosophy in the stream of Civil Engineering in karunya Institute of Technology and Sciences

Dr. Alwyn Varghese completed the review of a paper in the journal of "Journal of Industrial Textiles" (SCI indexed) on 18-08-2021.

Dr. Alwyn Varghese participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on " Modern Trends in Civil Engineering & Construction Industry" from 02/08/2021 to 06/08/2021 at College of Engineering Kidangoor.

Ms. Neeraja P G successfully participated in a Faculty Development Programme on The Art Gallery of Engineering Graphics from 2nd August to 6th August 2021, organised by the Department of Mechanical Engineering, Sree Chitra Thirunal College of Engineering, Pappanamcode, Thiruvananthapuram.

Ms. Soorya M Nair participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on "Structural Dynamics and Earthquake Resistant Design of Structures" from 24/08/2021 to 28/08/2021 at Government College of Engineering, Salem

Ms. Soorya.M.Nair has successfully completed one month online internship programme on "RESEARCH TRAINING" from 05.07.2021 to 5.08.2021 by MSME-Technology Development Center (PPDC), approved by GOI

Mr. Parthiban P participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on " Modern Trends in Civil Engineering & Construction Industry" from 02/08/2021 to 06/08/2021 at College of Engineering Kidangoor.

Mr. Parthiban P and Ms. Anju M J both has presented a paper in the Second National Virtual Conference on RECENT ADVANCES IN TECHNOLOGY & ENGINEERING (CRATE-2021) on 13-14, August 2021 at VEMU Institute of Technology, Chittoor, Andhra Pradesh Durability Study On Fly Ash Aggregate Concrete With Respect To Carbonation Test Experimental Study Of Sugarcane Bagasse Ash And Quarry Dust In Partial Replacement Of Brick Material

Mr. Parthiban P has presented a paper in the conference 3rd Symposium On Industrial Science And Technology (SISTEC'21) with the title "A Review on Environmental Impact Assessment of Limestone Mining Operations" on 25 - 26 August 2021 by Faculty of Industrial Sciences and Technology in collaboration with Universitas Lambung Mangkurat (ULM) and Japan Advanced Institute of Science and Technology (JAIST).

Jisha Akkara presented the paper entitled Effect of Non-urban Two Lane Highway Geometry on Car and Bus Drivers – A Physiological Study at the 24th Euro Working Group on Transportation Meeting (EW-GT2021). This virtual event was organized by the University of Aveiro from 8th to 10th of September 2021.

Ms. Soorya M Nair ,Mr. Parthiban P and Ms. Anju M J presented a paper in the First International Conference on Recent Advancements in Civil Engineering (ICRACE) 2021 held during 17th to 19th September 2021 in NIT Silchar. Paper entitled is:UHPC Steel Composite Girder: Numerical Studies on Flexural Behaviour in Negative Moment Region

Ms. Soorya M Nair (First Author) Published “Efficiency of vetiver filter in defluoridation of water” in AIP Conference Proceedings, Vol. 2396, Issue 1, September 2021

Dr. Alwyn Varghese presenting the research paper entitled “Effect of Cover on the Performance of Self-Compacting Concrete under Elevated Temperature” in the Second International Conference on Advances in Physical Sciences and Materials (ICAPSM 2021) held at Coimbatore, Tamil Nadu, India (Scopus indexed).

Dr. Alwyn varghese (First author) published a titled “Investigation of the Post-Fire Performance and Flexural Behaviour Modeling of FRC Exposed to a Standard Fire” in the journal “Structural Engineering International” (SCI indexed)

Mr. Cyriac M G, Ms. Vincy Verghese and Dr. Agnes Anto C received certificate of appreciation from Water Resource Department, Govt. of Kerala for their contribution to the preparation of DPR for abatement of pollution and rejuvenation of 21 rivers in Kerala.

Dr. Jacob Chandapillai reviewed a paper titled "Discharge redistribution as a key process for heuristic optimization of energy production with pumps as turbines in a water distribution network" for the international journal "Water Resources Management"

Ms. Soorya M Nair , Parthiban P and Anju M J presented a paper titled “ Use of Tamarind Seeds to remove Fluoride from Water” in 2nd International Conference on Instigating research in Materials, Energy and Environment (ICIRMEE) organized by Easwari Engineering College, on 06th & 07th October, 2021

Ms Neeraja P G delivered a talk about overview of green concrete in One Week international Online Faculty Development Programme on “CHALLENGES AND INNOVATIVE TECHNIQUES IN CONCRETE STRUCTURES”

Dr. Alwyn Varghese successfully participated in the Panel discussion on precast execution challenges - Erection planning, machinery and methods organized by UltraTech cement
