Competitions in "Pookalam", "Onapattu", "Thiruvathira Kali" and the traditional "Vadam Vali" were held with active participation by both staff and students. It marked the beginning of a fun filled festival season.

AGORA 2016 Hackthon

The event was jointly conducted by the Mechanical department, SAE India and Kerala Startup Mission. The 48 hour long Hackthon

began with the inaugural function held on 24th September 2016. Principal Dr.K.K. Babu presided over the function and Wipro Director Sri. Sudheer Mohan Inaugurated Agora 2016. The workshop that followed had experts in the field of education and health services who spoke to the participants about the use of modern

Technology for geriatric care. This was followed by a competition of working models for geriatric care. The first prize winners created a wheel chair which could be controlled by the tongue. The winning team included: Deepak Vijayan, Namitha R Shenoy, Anto P K, Jackson Xavier and Besto George. The second prize was won by the working model "Smart Shoe". The workshop was coordinated by Prof. Job Varghese, Asst. Profs. Christy Vazhapilly and Anil Antony and student coordinator Varun Menon.

ALUMNI

The Jyothi Engineering College Alumni Association (JECAA) organised the Decennial Alumni meet on 10-9-2016 in the college auditorium. Fr. Roy Joseph Vadakkan presided over the function and Prof. Natarajan inaugurated the same. To commemorate the Decennial Alumni meet, members of the 2006 Alumni planted herbs in Jyothi's Ayurvedic garden. Cultural events were arranged by the students to entertain the alumni.

IEDC

The Innovation and Entrepreneurship development centre at Jyothi has been a hub of activity as our members took creativity to new heights. Some of their creations were awe inspiring.

Mr. Joemon Benny of Mechanical Engineering secured the Award for "The Best Startup @ TES 16" as part of Technology & Entrepreneurship Summit "conducted on 10th April 2016 at TKM College of Engineering & Technology, Kollam organised by Federal Bank & TKM College of Engineering & Technology. He also won the First prize in "The Best Student Startup Exhibitor" as part of TECHOZIUM '16 Transforming Young Entrepreneurs conducted on 17th May 2016 at Kottayam Institute of Technology & Science, Chengalam organised by Kottayam Institute of Technology & Science & KITS Chengalam. The project work titled "Highway safety

evaluation - New methodology Geometric design consistency evaluation of Rural Highways" was worked on by Jyothi Team: Jithin T. J, Joseph Kodankandath, Mariya Rose Jose, Relins V Lorange and Swetha C.V of Civil Engineering department. It was presented at the Project Expo event in "The Student Innovator Award 2016" at ICT Academy of Tamil Nadu, Chennai on 18/06/2016.

STARTUP i3

Kerala Startup Mission (KSUM) in association with Openfuel.org conducted a three day workshop on "Startup i3". Our students got the first prize worth 15K in contest conducted at Al Ameen Engineering College, Shornur on 19/07/16, 20/07/16, 21/07/16. Steffy Akkara, Manasa Madhu, Sona S, Aswathy Anil and Amrutha VV represented our college.

Kerala Startup Mission (KSUM) in association

with Openfuel.org conducted a three day workshop on "Startup i3". Our students got the third prize worth 5K in the contest conducted at Vimal Jyothi Engineering College, Kannur on 28/07/16, 29/07/16, 30/07/16. Krishnaprasad T.S., Vigil Roy V., Jerin Joseph John, Ramakrishnan C. P and Deen Shifaz represented Jyothi.

IEDC SUMMIT 2016

Kerala's Largest Summit for aspiring Student Entrepreneurs was held on 23/08/16 at Girideepam Convention Centre, Trivandrum. The summit was scheduled with two sets of panel discussions. The first half were trying to bring in two levels of entrepreneurs, one who had succeeded from Kerala and established their business across the globe and the meet the young generation entrepreneurs who were building their enterprise globally. The whole summit was categorised into Business Networking, Idea Pitching, Panel Discussion, Learning Hubs and Expert Speaker Talks. Two Student projects from Jyothi were selected for the Exhibition. They were:

1. VOXIO for the hearing impaired.

Team Members: Ms. Sona S., Ms. Jismi Johnson, Mr. Jithin Joy C.

Guide: Ms. Ninu Francis, Asst. Professor, CSE
2. Project Title: **Crash Messenger**
Team Members: Mr. Raymon Charly, Mr. Robin Wilson, Mr. Royal Wilson

Mini Project Expo -Valence `16

ECSA in association with IETE conducted Valence `16 Mini project expo for S7 students (2013-2017 batches) on 8th July 2016 in the labs of ECE department. The mini projects completed by present S7 students were exhibited and presented in the project expo. A total of 20 teams participated in this event. The mini projects were judged by Mr. Anil Antony (AP, CSE Dept.), Mr. Jinesh KJ (AP, ECE Dept.) and Ms. Bindhu K Rajan (AP, ECE Dept.). It was coordinated by Ms. Sindhu S (AP, ECE Dept.) and the following students: Mr. Ajay Roy (Secretary, S7 ECE-A), Ms. Steffy Francis (Joint Secretary, S7 ECE-B), Ms. Desmin Dennis (Event Coordinator, S7 ECE-A), Ms. Derrin Varghese (Treasurer, S7 ECE-B). The event provided the students with an opportunity to showcase their practical knowledge in the field of electronics. It was a great success, the projects were inspected by the staff of the ECE Department.
