

<b>08 EC 7212 (P)</b>	<b>PROJECT (PHASE-II)</b>  <i>Hours/Week: 21</i>	<b>Credits – 12</b>
-----------------------	--	---------------------

Project phase II is a continuation of project phase I started in the 3<sup>rd</sup> semester. There would be two reviews in the 4<sup>th</sup> semester, first in the middle of the semester and the second at the end of the semester. First review is to evaluate the progress of the work. Second review would be a pre-submission presentation before the evaluation committee to assess the quality and quantum of the work done. This would be a pre qualifying exercise for the students for getting approval by the Departmental committee for the submission of the thesis. At least one technical paper is to be prepared for possible publication in journal or conferences. The technical paper is to be submitted along with the thesis.

The final evaluation of the project will be external evaluation. This shall be done by a committee constituted for the purpose by the Principal of the college. The concerned head of the department shall be the chairman of this committee. It shall have two senior faculty members from the same department, project supervisor and the external supervisor, if any, of the student and an external expert either from an academic/R&D organization or from Industry as members.
