“These who send thousands of applications from all over the world to APJ Abdul Kalam Technological University, Trichur, Kerala, India, for admission to the B.Tech. degree in Computer Science Engineering, find that the quality of education and the facilities provided at Jyothi Engineering College, Trichur, Kerala, India, are of a high standard and they are glad to be admitted to the college.”

Scholarships
3 seats / year

APJ Abdul Kalam Technological University
College in the Top 100 in India in 2015 & 2014

Recognition
Awarded by The University of Kerala in 2015 & 2014

- HIGHLIGHTS**
- Efficient and committed management team under the inspired leadership of Archbishop His Grace Dr. Andrews Thazhath, Chairman, and Mr. Thomas Kallayathankal, President.
 - Excellent library laboratory high class infrastructure and health Centre by Jubilee Mission, Trichur
 - Highly qualified and dedicated faculty with high research ratio
 - Innovation and Entrepreneurship development cell and Start-ups Business incubator approved by Kerala IT Mission
 - Student chapters of IEEE, IETE, CSI, IISc, IETE and SAC
 - Sports ground and fitness centre for games and leisure
 - Separate hostel and mess centre for girls and ladies
 - Consistently good academic result with University Rankers/Toppers
 - Active programmes and vibrant co-curricular activities
 - Corporate partnership with Infosys, JST, global Infosys, ICT Academy Kerala
 - MOU with education and other reputed organizations
 - Placement Cell Career guidance cell, audit Quality assurance cell, RED Cell and industry visits partnership cell
 - Regular seminars/workshops/competitions for knowledge transfer
 - Accredited by Institution of Engineers and certified by ISO
 - ISO 9001 certified campus
 - Good food programme/ Messroom
 - NBA and NAAC peer review process
 - Excellent Computing facility with more than 800 computers, LAN connected with 30 Mbps internet connectivity
 - Learning challenge programs in eBooks, NPTEL, etc
 - Smart Campus/Smart City, College buses, Hostel, connecting Centre, Gymnasium, Indoor & Outdoor Games

PIONEERS OF EDUCATION CULTURE IN KERALA
MORE THAN 125 YEARS OF EXCELLENCE

ABOUT

Jyothi Engineering College (JECC) situated in Cheruthuruthy is a Center of Excellence in Science & Technology. It is founded by the Catholic Archdiocese of Trichur. Keeping in tune with the universal policy of the Church, the Archdiocese of Trichur has illustrious track record of a century and a quarter in the education sector. The legendary march in education started with St. Thomas High School established in 1889. Since then, the education ministry had a phenomenal race forward and today it has a number of establishments under its umbrella including Jubilee Mission Medical College & Research Institute and St. Thomas College. JECC started functioning at Cheruthuruthy in the year 2002 and is approved by AICTE. It is affiliated to APJ Abdul Kalam Technological University.

With a visionary management and well qualified, energetic, young and experienced faculty members are there in a position to provide a high quality academic experience. JECC is emerging as a benchmark for the continuous journey towards excellence amongst institutions of higher education in the field of technology across the country.

ACHIEVEMENTS

ACHIEVEMENTS

Department of Science and Technology (India) has sanctioned Rs. 25 Lakhs (Rs. 2.5 million) for research project titled "Intelligent Data Analytics Platform for a Metro-Rail Transport System" with Kochi Metro Rail Ltd (KMRL).

Incubated Rezonent Microchip Pvt. Ltd in our Campus opens up the research activities in the area of Electrical & Electronics. HeadQuarters located at Silicon Valley Design Center, USA.

The Student Product of EEE department has been patented in Indian Patent under the Government of India entitled "Tremor Stabilization and Monitoring of Parkinson's Disease".

Won the First Prize in Malayala Manorama - IBS Yuva Mastermind Season 8 Grand Finale 2018 for the project titled "A Low Cost Braille Printer Using a Scrap Dot Matrix Printer".

The Student Product "LYZA for women" won the second prize in International Women Hackathon 2018 and also got selected for the India Canada Acceleration Program at AICTE, New Delhi.

Our students won the 3rd prize in "Make In Odisha Conclave" which was conducted in Bhubaneswar on 11-15 Nov 2018. The Make In Odisha Conclave 2018 is the flagship biennial business event of the Government of Odisha.

The idea "Tiny Bits-a robot for introducing coding to students" which was presented by our students received prototype fund of Rs. 75,000 from IDEA FEST 2018.

Our students won the gold medal for 4*100 mtrs Relay in the KTU Sports Meet.

Why Jyothi?

One of the few engineering colleges in the State which has both NBA and NAAC accreditations. (NBA accredited programmes - CSE, ECE, EEE & ME Branches).

Eligible to offer B.Tech(Honours) programme in CSE, ECE & EEE branches under APJ Abdul Kalam Technological University.

More than 40 lakhs granted by Department of Science & Technology (DST) and KSCSTE for Research activities.

JECC joins with Jubilee Mission Medical College to contribute in the area of medical sciences through Jyothi Jubilee Research Center (JJRC).

One of the top 25 BEC (Business English Certificate - University of Cambridge) centers in South Asia and is officially partnered with Cambridge English Assessment.

College has a very vibrant Innovation & Entrepreneurship Development Cell (IEDC) which was selected as Best Performing Cell in the State twice. Technology Business Incubator under the IEDC is approved by Kerala Startup Mission.

A Fablab (Fabrication Laboratory worth Rs. 50 lakhs) is set up in collaboration with MIT Center for Bits & Atoms, USA and part-sponsored by the Govt of Kerala. We are one among 20 colleges in the state to have this facility.

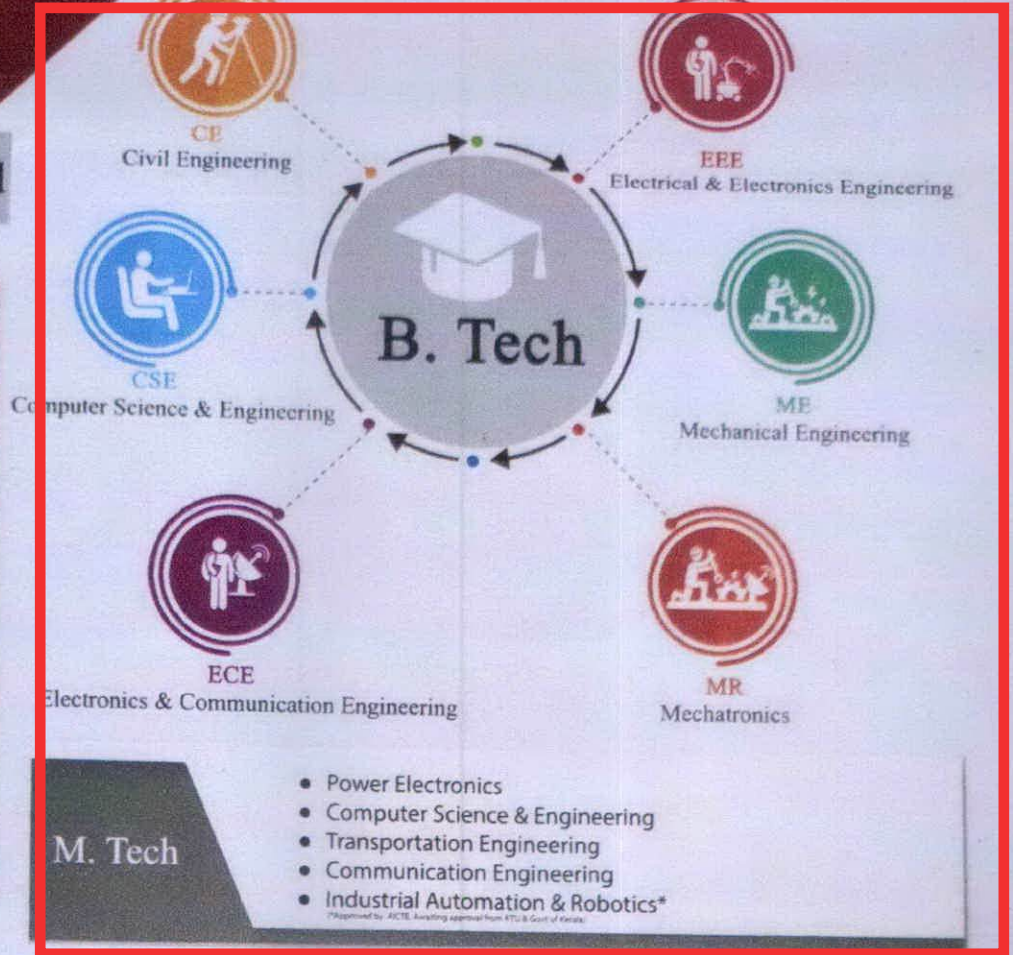

More than 250 alumni are placed in companies across the globe.

ABOUT

Jyothi Engineering College (JECC) situated in Cheruthuruthy is a Center of Excellence in Science & Technology. It is founded by the Catholic Archdiocese of Trichur. Keeping in tune with the universal policy of the church, the Archdiocese of Trichur has illustrious track record of a century and a quarter in the education sector. The educational march started with St.Thomas High School established in 1889. Since then, the ministry had a phenomenal race forward and today it has a number of establishments under its umbrella including Jubilee Mission Medical College & Research Institute and St. Thomas College. JECC started functioning at Cheruthuruthy in the year 2002 and is approved by AICTE. It is affiliated to APJ Abdul Kalam Technological University.

With a visionary management, JECC already has over 150 well qualified and energetic, young and experienced faculty members we are in position to provide a high quality academic experience. JECC is emerging as a benchmark for the continuous journey towards excellence amongst institutions of higher education in the field of technology across the country.

CREATING TECHNOLOGY LEADERS OF TOMORROW

Consultancy Services (JCS) is a leading wing for developing solutions in the local area. Team also helps clients from their legacy solutions into architecture. There are multiple external and internal projects that are handled by the team of experienced professionals and self motivated students. Students gets a practical exposure to the real time projects and know the crux of real world problem development.

The Institution has always maintained a Research Culture and has taken up a number of minor and major research projects. Research publications, Ongoing Research and Consultancy have added to the professional development of the Faculty. Commitment to basic long term research as the foundation for future development is the concern of the Institution. In research, there is progressive sharing of academic knowledge and resources to create new resources.

Fabrication Laboratory (FabLab) is a technical prototyping platform which aims at providing stimulus for local entrepreneurship by offering a small scale workshop which empowers the users to create smart devices which can be tailored to local or personal needs. Fablab is set up in collaboration with MIT Center for Bits & Atoms, USA and part-sponsored by the Govt of Kerala. We are one among 20 colleges in the state to have this facility.

Centre for Water Research and Education established as a subsidiary of Civil Engineering department aims at providing services to the people on remediation of various water issues such as water quality, water shortage, rain water harvesting, water treatment and with special focus on maintenance of domestic water sources of Kerala. The centre was very helpful to the nearby localities by helping them to deal with the water related issues after the Flood 2018.

Integrated Industrial Incubation Center (IIIC) is a joint venture between Tata Technologies and Jyothi Engineering College. This is an attempt to bridge the 'Academia - Industry gap', providing 'Industry 4.0 readiness' for its trainees comprising engineering degree and diploma students, engineers and practicing professionals. Its vision is to create an entrepreneurial ambience, subsequent to which, to develop an incubation hub for Kerala and South India with Thrissur at its center.
