1. Webinar on "Realisation of Women's Rights in India"

Women Development Cell of Jyothi Engineering College, Cheruthuruthy conducted a Webinar on "REALISATION OF WOMEN'S RIGHT IN INDIA" for its members on 30/01/2021. Students across the Department participated in the event and showed an active participation throughout the session. It was a virtual session Conducted through the platform Google Meet. Adv. Aneesha Dominic started the session by pouring a heart full respect to Savithri Bhai Phule, a social Reformer who bravely fought for women's right in India. Later she started emphasizing the status of women in ancient India Vs Now. She also explained the flaws of "The concept Putra" that came into existence during the later Vedic period. Later she spend more time on various Colonial Laws that came into existence like Sati abolishment Act, Hindu Widow remarriage, Child marriage restrain Act etc. After that she also discussed various articles that came into existence after India's Independence. She gave an overall structure about various rights for women, what will happen if such rules are being violated, punishment associated with it etc.

2. International Women's Day Celebration

The Women Development Cell of Jyothi Engineering College has conducted "International Women's day celebrations-2021" on Monday 8th March 2021 at 10.00 am onwards in Google Meet Platform. An official inauguration was followed by an interactive session with our resource person Ms. Timcy Thomas, Talent Advisory Consultant, Kincentric India. Ms. Timcy Thomas made a very good interactive talk on International Women's Day 2021 campaign theme, Choose to Challenge. The theme was beautifully expressed in terms of challenging others and challenging self. She discussed the hitches and glitches of women in an organization and how cleverly women can vanquish them. Finally she ended the session by reminding all the significance of celebrating Women's day and how important it is.
