## SANJEEVANAM

**Date:03/03/2023**

**Venue: Jyothi Engineering College**

### **Introduction:**

On March 3, 2023, the regional-level blood donation program "Sanjeevanam" was organized at Jyothi Engineering College. The event was a collaborative effort involving the Blood Donors Association Thrissur, APJAKTU NSS Blood Cell, and the Blood Donors Association of our college.

### **Event Details:**

- The blood donation program was aimed at providing a platform for individuals to donate blood for those in need, in association with various organizations.
- The entire college community actively participated in the event, making it a collective effort to support this life-saving cause.

### **Volunteer Participation:**

- Our dedicated volunteers played a significant role in the success of the event. They not only volunteered to assist with the organization of the program but also willingly donated their own blood.
- This act of selflessness and dedication exemplified their commitment to the cause.

### **Blood Donation Statistics:**

A total of 60 blood donations were collected during the event, demonstrating the generosity and compassion of the participants.

### **Conclusion:**

The Sanjeevanam blood donation program at Jyothi Engineering College on March 3, 2023, was a resounding success. It brought together various organizations, the entire college community, and dedicated volunteers in a collective effort to contribute to the vital cause of blood donation.

## INDEPENDENCE DAY

**DATE :15/08/2021**

**Venue: JYOTHI ENGINEERING COLLEGE**

### **Introduction:**

On August 15, 2021, the 76th Independence Day was celebrated at Jyothi Engineering College with great enthusiasm and patriotic fervor. The event commenced with the hoisting of the national flag by Fr. David, marking a significant day in our nation's history.

### **Flag Hoisting:**

The ceremony began with the solemn and proud moment of flag hoisting. Fr. David, our respected guest of honor, unfurled the tricolor flag, symbolizing the spirit of freedom and unity.

### **Community Service - Cheruthuruthy Bus Stop Clean-Up:**

Following the flag hoisting, the spirit of patriotism extended to a meaningful act of service. The volunteers from our college embarked on a community service initiative by cleaning the Cheruthuruthy bus stop and its surroundings.

### **Volunteer Participation:**

It was heartening to witness the active participation of our dedicated volunteers, who wholeheartedly took part in the cleaning activity, underscoring the importance of community involvement and civic responsibility.

### **Conclusion:**

The Independence Day celebration at Jyothi Engineering College on August 15, 2021, was a heartfelt tribute to our nation's struggle for freedom and the values of unity, peace, and service. The flag hoisting ceremony and the community clean-up initiative symbolized our commitment to a cleaner, more harmonious, and self-reliant India.

Women's self-defence ultimately gives women freedom, as they are able to defend themselves against both mental, emotional and physical challenges. The class held on 21/11/2022, led by Preethika P.K, Shiji PB, Sheeja IA, Sindhu K.S, helped us so much to find ways on how to protect ourselves. Some of the self-defence tips discussed in the class were, 1. Always be aware of our surroundings. 2. Use strength against their vulnerabilities. 3. Get loud and push back. 4. Take an opportunity to run. Demonstrations on how to react against various attacks was also given, it helped us to understand the topic further better. Overall it was a very needed and informative class. Thanking JEC for teaching us on how to defend ourselves from common dangers.

We all know women safety is very important these days. It was an amazing class by three senior female police officers and taught us basic self defence. in case of emergency. It helped us to be more aware of the surroundings and be prepared for the unexpected at any time. They made us psychologically, intellectually & physically strong enough to protect ourselves in times of distress.

# Yoga: A Spiritual Discipline

by: Jyothi Engineering College

17<sup>th</sup> of October, 2022, Sir Jenson Jose, HOD of EEE dept., handed a special session for empowering the students of Jyothi Engineering College about yoga. The whole session was conducted at the auditorium around, 2:30 pm. It signified the importance of yoga. He had presented a few slides based on yoga. He explained about the importance, benefits and different excersises included, in yoga. After few talks about yoga, he conducted a small practice of yoga. Not everyone was following the req. before starting yoga practice. But we did do some basic excersises, slowly and steadily, relaxing and breathing, etc. Most of the students participated, but some of them couldn't, as they were tired or having difficulties, due to many other reasons. Also students did small excersises like, pranayama, trigonasarir, Arctha trigonasam, Jogging, Prayers, and many more yoga related excersises.

18<sup>th</sup> of October, 2022 Father Jose Kanampuzha, a qualified Mechanical Engineer, but at present an academic director, arranged a special session, to emphasize us on setting goals for the future, no matter how big it is. He starts with some basic points. And then as a real-life example, he had presented a video clip of Steve Jobs, 2005 Stanford Commencement Speech, where he mentions three simple stories of his life, 'Connecting the Dots', 'Love and Loss' and 'Near Death'. Father Jose had translated them into simple sentences, so as to make us understand even more easier. The stories highlights were, the background of Steve Jobs from birth, how his parents were used for his college life, how and why he had remained a drop-out within the college and how he took the course calligraphy, and then developed technology within his father's ~~own~~ garage, how he was thrown out of his company because of his mistake, but turned out to be helpful in clearing his mind of heaviness, and met the love of his life. And then finally how he almost faced death but was safe after an operation for pancreatic cancer. After displaying the whole speech, Father Jose emphasized us to study daily, set goals, using a dream board and to love our parents, respect our teachers.

## MOTIVATIONAL CLASS By JEC

On the 18<sup>th</sup> of October 2022, Father Jose Komampuzha, who is the director of academics at Jec, arranged a session for the 1<sup>st</sup> year students at the hall. He talked about the importance of setting up a goal and working towards it. He starts off by basic statements then moved on to show a real life example. He took Steve Jobs speech which he present on 2005 in Stanford. It was speech which consisted of his own life and life lessons. Father showed us the video of the speech.

After that Father for the sake of our convenience translated the whole speech into simple words and passed it on to us. He talked about the importance of setting up of goals no matter the dream. His soft yet powerfull words got the whole crowd excited. He tried his best to let us know the importance of planning for the future. And advised to love and respect our friends, teachers & family.
