1. SAFETY AND SECURITY

To provide safety to stakeholders, Jyothi Engineering College checks various means to ensure it.

Women Empowerment and Gender Equality plays a great role in our nation's enrollment and development. Men and women occupy equal positions in the field of STEM (science, technology, engineering, and mathematics), even though some fields may have a higher percentage of women. To promote the development of women, a Women Development Cell (WDC) in JECC named as "SANSKRITHI" was inaugurated on 31-03-2009 by Ms. Margi Sathi, the renowned Koodiyattom artist of Kerala Kalamandalam, Cheruthuruthy. The main motto of WDC is "Each woman for a woman". It acts as a forum for providing self-empowerment of girl students and lady faculties, to take care of the problems and matters related to them and also creates power in women to live a happy and respectable life in a society. WDC with the help of our students conduct a variety of academic, technical, medical, cultural, and social events for the upliftment of women and to spread the importance of gender equality in society. Every year, the Women Development Cell of Jyothi Engineering College celebrates International Women's Day on March 8th with an eye-opening speech by different dignitaries. WDC organizes programs like Self Defense Workshops to improve the confidence in protecting oneself and a variety of talks and webinars will give support and guidance to create a safe space by themselves.

Link: [Beyond Academics | Jyothi Engineering College \(JEC\), Cheruthuruthy, Thrissur](#)

Main Objectives of WDC:

- To empower girl students
- To create awareness about issues related to Women and to make college campus a safe space for women students
- To prevent any act of harassment, including sexual harassment
- Provide the procedure for resolution, settlement or prosecution of acts of sexual harassment taking all required steps
- Strives to address any grievances of the students and provide them with necessary guidance and support
- Intellectual and social upliftment of student

REPORT ON WOMENS DAY CELEBRATIONS

The Women Development Cell of Jyothi Engineering College conducted "Women's Day Celebrations-2023 in association with IEEE (Women in Engineering) on Wednesday 8th March 2022 at 10.30 am in Decennial Hall. An official inauguration followed by an interactive session with our resource person Dr Merine Paul, Medical Director, Trinity Eye hospital, Thrissur was conducted. Students and Faculty members from all Departments were participated. Ms.Anju MJ, WDC Coordinator deliver the welcome speech to all gathering. Fr Thomas Kakkassery delivered the presidential address and inaugural function was done by our chief guest and Ms Merina ann martin, student WDC coordinator was concluded the meeting by thanking all the dignitaries on and off the dias. After that our chief guest had delivered a talk about Women's day theme of the year 2023, "Embrace equity".

Identity (ID) cards are required for all students and staff. Any higher authorized person can easily validate the authenticity of a person using the id card itself. No one is allowed to enter the campus without a valid ID card.

In order to prevent any adverse events, the campus and hostels are monitored by CCTV 24 x 7

2. COUNSELLING

The recent adult behavior by the students creates a lot of anxiety among parents and the college authorities. To overcome this counselling sessions separately for boys and girls are arranged by renowned counsellors. Students who are not able to cope with the academics or have some personal issues will be noted by the respective tutors. The first phase, tutors will provide the required counselling and if the student does not show considerable improvement, they will be directed to the counsellors. The counsellors will generally counsel the students twice a week keeping the matter completely confidential.
