Dear Sir,

ICT Academy of Kerala is planning to conduct ICT Day in selected member colleges, the details are as follows

- 2 Hour session for fifth semester students on 'Projects done in Industry way'.
- 2 Hour session for seventh semester students on 'Career Orientation'.
- A session

for teachers on Teacher-Leader skills (There will be a profiling test attached at the end of it)

Please let us know a convenient date if the college is interested.

With Best Regards,

Prasanth K.N.

Manager -

## Srishti 16

DATE :19 MARCH 2016

VENUE:COLLEGE AUDITORIUM

### JYOTHI ENGINEERING COLLEGE

Srishti 16, a national level project exhibition and competition in association with tharang 16 was held in jyothi engineering college for the fourth time on 19<sup>th</sup> march 2016. The program aimed to provide a platform for creative minds to showcase various innovative and revolutionary ideas and compete with their counter parts contributing constructively to the existing knowledge base. This time also the event is being conducted in association with IEDC –JECC.

From the 110 abstracts from the b.tech graduating students all over india, 25 were in circuit section and 23 in non circuit section were selected.The official program was inaugurated by Fr.Roy Joseph Vadakkan Asst. Manager, Academic & Administration, Jyothi Engineering college at 10.30 am . The projects of circuit section was exhibited in the circuit labs of EEE department and those of non-circuit were exhibited in the auditorium. Students from various colleges came to see and understand the projects exhibited .The projects were valued by the evaluation committee.

The valedictory function which began with the welcome speech and brief introduction by Mr.Hareesh ,Assistant Professor,JECC. Dr K K Babu,Principal Jyothi Engineering College, Administrator Engg. Thomas Mathew, Asst. Administrator Engg. Bobby Peter distributed the prize. A special award for Innovative Student Project was sponsored by IEDC –JECC was distributed by Athif, a fellow from Kerala Startup Mission

Among the various projects exhibited ,prizes were given to separately in circuit as well as non-circuit section. In the circuit section, SMART AID FOR AUTISTIC CARE from Sahrdaya college of engineering and Smart Home Automation and Energy Management System using Cloud Computing (TapMyHome) from Karunya University won the first and second prizes respectively .In the non-circuit A NOVEL VENTURE TOWARDS TREATMENT OF OIL WASTE FROM AYURVEDIC INDUSRTY USING BIOSURFACTANTS from Sahrdaya college of engineering and Low cut-in Velocity Wind Machine from Jyothi Engineering College won the first and second prizes respectively. The projects which won the first & second won the cash award of 15,000 & 10,000. A special award for Innovative Student Project was given to LAND\_LINE\_MOBILE from IES Engineering College won a cash prize of Rs.5000. All the participants were provided with participation certificate and each project gained a consolation prize of rs 2000. Mr. Raymond Charly, student coordinator for the event concluded the program by vote of thanks. The program was dispersed at 4:30 pm.

Expert talk on

### “VIDYA – SCIENCE OF HAPPINESS”

26<sup>th</sup> February 2016

Venue: Insight hall

SAE Collegiate club, Jyothi engineering college in association with Institution of Engineers (IEI) and Department of Mechanical Engineering conducted a one day talk on the topic 'Vidya Science of happiness' on 26 February 2016. The chief guest of the event was Dr S Karunanidhi, Scientist 'G', DRDO, Hyderabad. The event commenced with a welcome speech by HOD of Mechanical Engineering department, Prof. K C John. The event focused on the need to have a spiritual inclination while acquiring knowledge. Submitting to the supreme consciousness and doing work with utmost devotion and dedication without thinking about the fruits of the action was the lesson learned from the talk. The speaker cited several examples from Bhagavat Gita and urged us to inculcate several qualities which would help us gain happiness in life. To excel in competitive world we have to master the art of inner engineering. Students from various departments participated enthusiastically in the program. The event was thought provoking and spiritually enlightening. We express our sincere gratitude to faculty advisers Prof. Varughese Job, Mr. Christy V. Vazhappilly and Mr. Nikhil N.S for making this program a success.

Dear Students,

ICT Training dates are confirmed. It will be on 5th and 6th of Jan, 2016.

ICT expects all students who have been shortlisted for SAP and Suntech opportunities to mandatorily attend this training to maintain standards.

Students who have CGPA 7 & above with zero backlogs are also encouraged to attend the training as ICT uses this cut-off to filter students for the various opportunities. ICT also considers the fact if the student has attended their training for them to maintain standards.

Students who want a refresher for mu-sigma and Orion opportunities are also requested to attend the training.

As mentioned earlier, this is a paid training (INR 500 + 14.5% service tax -> INR 572.50). If you are interested in attending the training, please update details in the spreadsheet shared earlier and pay the required amount in the college office on or before 4th Jan 2016.

Thanks, Prof. Joshy

ICT Academy folks confirmed a short while ago about the change in criteria for SLK and for attending their training.

Once I receive the complete details (expected by tomorrow), I will share it with this group.

For now, there are three conclusions:

1. ICT Training scheduled for 28th and 29th Dec is postponed (most likely by 1 week)
2. SLK Software's test date is finalized on 30th Dec (no change)
3. Eligibility criteria for attending ICT Training and SLK Software has changed (will be confirmed by tomorrow end of day)

There are at least 5-6 opportunities in Jan 2016 namely SLK, Suntech, SAP, Infosys, UST, Orion amongst others. So, please prepare well and be in top form for the aptitude tests.

Thanks, Prof. Joshy

On Tue, Dec 15, 2015 at 4:34 PM, Placements - Jyothi Engg College <pat@jecc.ac.in> wrote:  
Dear Students,

We have confirmation from ICT Academy on SLK Software(part of Kirloskar group). The online aptitude test will be conducted at our college for the entire central Kerala region on 30th Dec 2015. A minimum of 500 up to a maximum of 2000 students can be expected.

**All B.Tech branches** are eligible (except Civil Engineering). Please note there is **no CGPA cutoff**. However, **backlog has to be zero**. Moreover, ICT is shortlisting top 500 students based on the training conducted by ICT. This means, ICT has **indirectly mandated** attending their training to maintain standards.

As mentioned in my earlier email, please register at this link if you plan to attend the training **on or before 17th Dec 2015**:

<https://drive.google.com/open?id=10AHh8pyxKHGGfPnUEXzqop6rrivefALQLNz-vkP3Vnc>

There is a change in the training date to facilitate better attendance. Training dates has been postponed to **Dec 28th and Dec 29th of 2015**.

Please leverage the careerfit360 portal to practice online assessments and tests. Please do make the most of Christmas holidays to gain speed and accuracy while solving aptitude problems. Past papers of SLK software can be found at:

<http://www.yuvajobs.com/download-slk-software-placement-papers/>  
<http://www.yuvajobs.com/placement-papers/slk-software/>  
<http://www.vyoms.com/placement-papers/details/slk-software-services-private-limited-bangalore-placement-paper-2010-6956.asp>

Please note that there are 150 job openings at SLK software and each of you who are eligible has a very good chance if you prepare well.

Good luck and all the best.

Warm Regards, Prof. Joshy

## Placement and Training Department

No: JECC/PAT/2015/Dec/29/02

### Study in UK – Interactive Session with Mr. Abhilash Nair (University of Strathclyde, UK)

Abhilash Nair is an academic based in the University of Strathclyde. His main area of expertise is internet law and cybercrimes. Abhilash is a qualified solicitor in England and Wales and is a member of the Technology Law Committee of the Law Society of Scotland. He is also a member of the Information Society Network at the Centre for European Governance, University of Exeter, and a Fellow of the UK Higher Education Academy. He is the co- Managing Editor of the leading IT law journal, the European Journal of Law and Technology and also the Deputy Editor of the leading IT law journal, the International Review of Law, Computers and Technology. Mr. Nair has published widely on internet law and regulation and is a regular speaker at international conferences and United Nations Internet Governance Forum meetings.

An interactive session with Mr. Abhilash Nair is scheduled on Dec 31, 2015 at 11 AM IST. Students can use this opportunity to know and learn more about higher education in UK and related procedures. If interested, please nominate yourselves with your department placement coordinator on or before 12 noon, 30<sup>th</sup> Dec 2015. Limited seats only and is based on first come first serve basis.

## Proposal

### Introduction

Prometis Learning Private Limited is a training and education company founded in 2013, based in Bangalore. It provides a holistic and intensive training experience for students and professionals enabling them to learn and think better. With its access to quality candidates and corporate networks, Prometis strives to provide quality manpower to the corporate world. Please visit us at [www.prometis.guru](http://www.prometis.guru) to know more about our services.

### The Leadership Team

#### Randeep Hari V

- B.Tech in Electrical and Electronics for College of Engineering Trivandrum & Post Graduate Program, Information Technology from IIIT Bangalore
- Worked in the IT industry in MNCs like Intel, HP, Keytronix and Qwest Software
- An accomplished trainer in Quantitative Aptitude and Logical Reasoning since 2002 with leading training companies as a freelancer
- Trained close to 6000 students in the last 6 years
- Ranked as the best trainer in various college engagements

#### Vijayaraghavan V

- B.Tech in Mechanical Engineering from College of Engineering Trivandrum & Post Graduate in International Business from Indian Institute of Foreign Trade New Delhi
- Over 13 years of Pharmaceutical Industry experience in global business in Dr Reddys, Lupin (General Manager) and Emcure Pharmaceuticals (Vice President)
- Based in Shanghai and Head of Operations in China for Lupin
- Core Expertise includes Pharmaceuticals, China, Supply Chain and Global Business Development
- Speaker in Pharma summits and author in various Pharma Journals
- Passionate Marathoner

#### Sajish G.P

- B.Tech in Mechanical Engineering from College of Engineering Trivandrum
- 14 years of professional experience in education, publishing, and financial services
- Was Vice President – Editorial at Ansrsource
- Instrumental in building Ansrsource into a multimillion dollar company serving the higher education markets in the US, UK, and Canada.
- Has worked in different capacities in companies involved in content development, equity analysis, and e-learning.
- He is passionate about teaching, writing, and travel and is often spotted trekking in the Himalayas

PRINCIPAL  
Vysothi Engineering College

### Objective & Background

The proposal is for delivery of placement training for students of the seventh semester. This 6-day program (36 hours) will equip students with the skills necessary to ace placements tests.

**Course Content\*** – (Tentative and will be finalized in consultation with the college. Please find sample syllabus in Annexure A (page 5) of this document.)

Topic Covered	Time in hours
Quantitative Aptitude and Reasoning	15
Verbal Reasoning	6
Personal Interview training	6
Group Discussion Training	6
Resume building	3

\*Online test-taking facility will be made available to the students.

### Clients

Within the first year of its operation, Prometis has executed programs in 3 of the South Indian states namely, Kerala (Barton Hill Government College of Engineering, UC College Aluva, Mangalam College of Engineering, College of Engineering, Vatakara, Toc H Institute of Science and Technology, De Paul Institute of Science & Technology, Sahrdaya College of Engineering and Technology, Universal, Rajadhani Institute of Engineering and Technology, I.E.S College Of Engineering, Lourdes Matha College of Science & Technology, Marian Engineering College, Malabar College of Engineering, Universal College of Engineering), Karnataka (Jain University), and Andhra Pradesh (Madanapalle Institute of Technology & Sciences) catering to the training requirements of over 3000 students.

(Testimonials from the Placement Officer of Toc H Institute of Science and Technology; and the Principal, Madanapalle Institute of Technology & Sciences are attached as Annexure B).

**Annexure A**

**Indicative course content**

**Quantitative Aptitude**

- Number systems 1
  - Leave the Calculators away
  - Speed Math
  - Number crunching and Approximations
  - Back to School
- Number systems 2
  - Number Systems
  - LCM,HCF
  - Factors and Factorials
  - Units Digits
  - Remainders
  - Even, odd and Prime numbers
- Percentages and Profit and Loss
- Ratio proportion and Variation
- Averages Alligations and mixtures
- Simple and Compound Interest
- Time Speed and distance
- Time and work
- Clocks Calendars and Cubes
- Permutation Combination and probability
- Data Interpretation
- Data Sufficiency
- Mathematical reasoning
- Equations
- Set Theory and Venn Diagrams

**Analytical Reasoning**

- Coding decoding
- Series completion
- Family Trees
- Puzzles
- Direction Sense
- Arrangements
- Logical Deduction
- Analogies

**Verbal Ability**

- Basic Grammar
- Reading Comprehension
- Jumbled Paragraphs
- Sentence Correction
- Fill in the blanks
- Vocabulary
- Analogies

**True Copy Attested**

**Soft Skills Training**

- Group Discussion Participation
- Personal Interview Training and Resume Building
- Communication Skills
- Resume building
- E-mail etiquette/covering letters

**Annexure B**

Dear Sir

Prometis is having a bunch of young talented professionals. They are highly resourceful and keep abreast with latest Campus Recruitment Training Trends. Moreover they put it across quite effectively.

Regards,

Dr. Mathew C D  
Placement Officer

*The Aptitude and Reasoning training delivered by ProMetis Learning was very effective. The trainees have expressed that the training programme was very effective in learning the shortcuts in QA to achieve the level of proficiency that companies expect in their selection process. The modules were covered elaborately and were felt useful by the students.*

*We are very happy with their training to our students.*

*We wish them all the best in their future endeavors.*

## TRAINER PROFILES

### Randeep Hari V

- Founder of ThinkQuant and ThinkApti
- Has trained over 10,000 students for competitive exams like CAT, MAT, Bank PO entrance tests and Campus recruitment tests
- Has worked with leading CAT training institutes TIME and IMS as a quantitative aptitude trainer
- 8 years of corporate experience in multinational companies including Hewlett Packard (HP) Intel India and Qwest Telecom in technical management and program management roles
- Electrical Engineer from Govt. College of Engineering, Trivandrum (CET)
- Post Graduate in Information Technology from IIIT, Bangalore

#### Core Training Areas

- Quantitative Aptitude
- Logical reasoning

### Chandra Hasan

- Experienced Trainer with pan India and institution assignments
- Mechanical Engineer from IIT Chennai (1970)
- Post Graduate Diploma in Management from Indian Institute of Management, Calcutta (1972)
- Over 35 years of industry experience in various fields including IT
- Over 10 years of intensive engagement with different groups of students and premier educational institutions

#### Core Training Areas

- Quantitative Aptitude and Reasoning
- Operations Research
- Discrete Mathematics

**Amrith Sudhakaran**

- Has trained more than 20,000 students in numerous engineering colleges in Karnataka and Tamil Nadu on aptitude, verbal ability and soft skills
- GMAT (98 percentiler) and CAT verbal trainer
- Worked in Larsen and Toubro (L&T) in the Power transmission and distribution sector in India and the Middle east
- Author of Verbal Ability content for books
- Electrical Engineer from TKM college of Engineering in Kerala

*Core Training Areas*

- Quantitative Aptitude and Logical reasoning
- Verbal Ability

**Sajish GP**

- Expert in global higher education space
- 14 years of experience in education, publishing, and financial services
- As Vice President at ansrsource India, was responsible for coordinating delivery of educational content to 3 out of the top 4 publishing houses in the world
- Built one of the biggest teams in the publishing space in India over the last ten years with operations in Bangalore and Chennai
- Created content for major international certification exams
- Intensively trained upwards of 200 professionals on derivatives – theory and application
- B Tech in Mechanical Engineering from Govt. College of Engineering, Trivandrum
- Certifications in financial markets

*Core Training Areas*

- Soft Skills
- Public Speaking & Business Communication
- Outbound Leadership Training
- Accounting and Finance for Professionals
- Equities and Derivatives

## Women Development Cell

In compliance with a directive from the University of Calicut, Jyothi Engineering College is conducting Women Development Cell (WDC) Activities ever year. It acts as a forum for providing a conducive environment for self empowerment of girl students and to take care of the problems and matters related to them.

The Women Development Cell "SANSKRITHI" of Jyothi Engineering College started its activities for the academic year 2015-2016 with the inauguration on 9.10.2015 by Dr K R Lekha , Scientist WSD KSCSTE .The Inauguration was followed by a talk on "Women in STEM – a fillip to National Development" . Dr Lekha stressed the need of Women in STEM (science, technology, engineering, and math) which are otherwise dominated by men. STEM fields have an equal mix of men and women, some have a higher percentage of women . Dr Lekha emphasized the need for young budding engineers to broaden their perspectives in their future career. The Staff Coordinator of the Women Development cell is Ms. Neeraja P G , Asst. Professor, CE. Two representatives from girl students are selected during each academic year to function as the President and Secretary. Every woman of the college is a member of the forum.

Day – Duration	Topic	Focus Area
Day 1 9:00 am – 4:30 pm	Introduction to Employability Skills, Communication Skills	Communication - Verbal, Non-Verbal, Written. Team work, Improve Confidence
Day 2 9:00 am – 4:30 pm	Group Discussion, Presentation Skills, Handling Interviews	Speaking Skills, Resume preparation, Job Search, Interview Preparation
Day 3 9:00 am – 4:30 pm	Aptitude	Quantitative Ability
Day 4 9:00 am – 4:30 pm	Aptitude	Reasoning
Day 5 9:00 am – 4:30 pm	Aptitude	English Aptitude/Quant

**Terms and Conditions:**

1. Batch Size – No. of students max. 50 per batch. No. of batches will depend on the total number of students undergoing training in each phase.
2. The period of training will cover a total of five days in September. The dates are Sep 7-11 and Sep 28-Oct 2<sup>nd</sup>.
3. The training will be from 9:00am to 4:00pm on all days with the tea breaks and lunch break as per the regular college schedule.
4. Change of training dates will have to be informed 15 days in advance.
5. If any batch gets cancelled due to lack of attendance by students/any other reason, without proper notice, the college has to bear the cost of the trainer for the cancelled session.

6. Every class/batch should have a student and faculty co-ordinator. This list with names and contact details will be maintained with the Placement Office and the Company.
7. The attendance for the training programme will be monitored by a Faculty member from the College. The attendance sheet for each day/session should be submitted to trainer on a daily basis.
8. The name and qualifications of the trainers should be given to the college at least ten days before the training session and get approved. Only approved trainers will be allowed to conduct the training.
9. While the training programme is in progress, students will not be allowed to take leave from the session for lab/seminar/other activities. In such cases, students should seek prior written permission from HOD/Principal and should intimate the trainer in advance. Any such activities causing disturbance to Training session will be discouraged.
10. The company shall collect feedback from students for each session during Aptitude Training and Soft Skills Training. The feedback will be analysed by the company and shared with College if requested. Company shall make appropriate course corrections as applicable.
11. Absence of any trainer during a session will be treated as violation of the contract, if the company fails to arrange a back-up trainer to handle the session.
12. The company shall conduct a pre-assessment test prior to the training, on a mutually convenient date to assess the aptitude of the students. Similarly a post-assessment test will be conducted after the training. The results of both these tests will be shared with the college and appropriate steps will be taken by the company to customise the training and follow-up activities as per the need.

Dear Sir,

The title of our talk "What After Engineering"; We will cover the following in our 3 hour talk

- Higher studies option available for engineering students in India and abroad,
- How to prepare for campus placement
- Jobs in government sector
- How to make an impressive resume

Sir, if you want to add anything specific please let me know.

Our name and designation

Dr A.N. Brijesh Nair, Professor

Prof Deepa Madathil, Assistant Professor (Senior)

Regards

Brijesh

Dr Brijesh Nair, did his Bachelors in Civil Engineering from Calicut University and Masters and PhD in Civil and Environmental Engineering from Arizona State University in Tempe USA. After successful completion of his PhD, Brijesh worked as a Design Engineer in Wilson Engineers in Phoenix, USA where he focused on design and construction of water and wastewater treatment plants. He has done extensive research on physical and chemical treatment of water and wastewater. After being in US for over 10 years Dr Nair decided to move back to India in 2010 and he is now in VIT University for the last 5 year. Dr A.N Brijesh Nair is working as Professor in the Department of Civil Engineering in VIT University.

Dr Nair has given motivational speeches to students planning to pursue engineering and also for those who are doing engineering all over India. These speeches are aimed at educating the students about engineering education and also help them to choose the right engineering branch. For the last three years Dr Nair was one of the main speakers (other being Mr. Jayaprakash Gandhi) in "The Hindu Education Plus Career Counselling" held in Tamil Nadu. Dr Nair has delivered speeches in Chennai, Coimbatore, Vellore, Pondicherry, Madurai and Thirunelveli that was well received. He has done similar programs with Ecnadu and Sakshi newspaper in Andhra Pradesh, Rajasthan Patrika in Rajasthan and Hindustan newspaper in Jharkhand and Bihar. He has conducted career counseling session conducted by ISE Infomedia Exhibitions and Conferences in Dubai, Abu Dhabi and Sharjah in January 2014 and in all districts of Kerala. He spoke at 7 different venues of Kerala on the topic "What after Engineering" in the national seminar "Aspire" organized by Mathrubhoomi newspaper.

Dr Nair has frequently written articles in The Hindu and Careers360 Magazine. He regularly writes column in Safety Messenger magazine on various environmental issues.

His wife Deepa
