## Placement and Training Department

Training Name: Aptitude Competency Training Program for S7 batches

Vendor: Six Phrase

Batch: 1 Date: Oct 31<sup>st</sup> to Nov 2<sup>nd</sup>, 2016 Duration: 3days CLASS NO: S7 CSE-A

**Feedback:** (You can give feedback on whether the session was useful to you. If not, ideas on improvement can be shared. All comments are welcome)

- 1) The training program was really good. The sheetlets provided for cracking the aptitude tests are new and easy. Other than aptitude the training for group discussion, interview are also requested to include in the program.
- 2) The classes were really nice. and staff I feel answer also should be given at the back of the booklet, because the portions are not completed, it would be easy to refer. And. ~~the~~ we didn't have debate & group discussion, which were there for other classes.
- 3) The training programme is really informative & helpful. Teachers are very dedicated people. but there is less interactive sessions. Such as group discussions etc. logical puzzles are good. If add more b/w the classes ~~it will~~ be helpful to engage them.

**Sub:** Invitation for ICT Academy Webinar on LinkedIn Job assistance programme-reg

Dear Sir/Madam,

Greetings from ICT Academy of Kerala!

As you know, job placements is a key need for our students and even though it is not in our mandate, ICT Academy has been working with our partners and other interested Organisations to support the final year students in job placements.

We have been looking for a credible partner who could help our students in appearing for job opportunities in the Domestic and International Organisations for their fresh graduate selection programme. In this regard we have been in discussions with the world's largest professional network Company, LinkedIn ([www.linkedin.com](http://www.linkedin.com)) and they are keen to work with us in connecting our students to 30+ Organisations including MNC's through their Job assistance portal. It is expected to open up opportunities a lot of our fresh graduates.

To talk about this in detail and to clarify any queries institutions and students may have on the subject, we are organizing a Webinar on September 22<sup>nd</sup> between 2:30 pm – 3:30 pm over A-View channel. The LinkedIn Group Product Manager Ms. Khushboo Taneja will talk about the job assistance platform and the benefits students will obtain through it and also take any questions.

I would like to request your institution to be part of this Webinar and request your Final year students to attend it. Our technical team will be in touch with you and explain the details of connecting to the A-View Webinar.

Yours Sincerely,

Santhosh Kurup,  
Chief Executive Officer,  
ICT Academy of Kerala.
