Subject: Program Confirmed on Thursday, 09-05-2019 || Seminar at JECC on higher studies and placement opportunities abroad

Dear Students,

Greetings From PAT Office!!!

Global Education Seminar organised by PAT office for creating awareness among the present final year students regarding **higher studies** and **placement** opportunities abroad, will be conducted tomorrow, **9th May 2019(Thursday)** from **11.00 AM to 12.30 PM** at the **Decennial hall**.

All the interested students from the **final year(2019 passing out) B.Tech & M.Tech batches** are welcome to attend the seminar, even if you haven't registered for participating.

You may not be planning for overseas education or job at present. But the inputs you get from this seminar, can be very useful to you in the future. So please make use of the opportunity.

Please make sure that you are present at the venue sharp by 11.00 AM itself. Late entries will not be permitted since it will spoil the very purpose of the program.

Please do not hesitate to contact the PAT Office, if you have any queries or need further information.

Warm Regards,

be silly.
be honest.
be kind.

Subject: Seminar at JECC on higher studies and placement opportunities abroad ||for 2019 passing out students

Dear Students,

Greetings From PAT Office!!!

We are getting a lot of queries from the current final year students regarding **higher studies** and **placement** opportunities abroad.

There is no doubt that choosing an overseas education for your higher studies is one of the most rewarding decisions you will ever make in your life.

A study abroad experience will benefit you in ways beyond your imagination and expectations. It will offer you an opportunity to discover a unique diversified culture, make lifelong friendships and connections, and

receive an education that goes a long way in your holistic development.

The PAT office is organising a '**Global Education Seminar**' for the interested students from the final year B.Tech and M.Tech students . The program will be a 1 and half hour session . The tentative dates are 9th **or** 10th (Thursday **or** Friday) May 2019 from 10.00 AM to 11.30 AM.

Vastly experienced resource persons in this field, will be handling the session and interaction.

The following topics will be covered

- 1) Guidelines for Interviews & Placements in India & Abroad.
- 2) Scholarship Options In European Countries.
- 3) Short Term Programs in Abroad with 100% placement assurance.

Resource team

The resource persons are Management Consultants with Experience from MNCs and currently working with a lot of Engg. Colleges .They can guide you with the application procedures for **Germany and Italy scholarship Options**,

Eligible students(marks %) can do their masters program absolutely free of cost in World Ranking Universities.

PLACEMENT AND TRAINING OFFICE

To,
Rev. Fr. Roy Joseph Vadakkan,
Asst. Manager, Academics & Administration,
Jyothi Engineering College.

From,
Bibin Joy
Placement and Training Officer.

Sub: Request for conducting TCS specific training program for eligible students.

Respected Father,

This is to bring into your kind attention that, TCS is conducting the first round (Aptitude test) of their campus recruitment process, for the 2019 batch on Wednesday, **11th September 2018**, for the entire Kerala region.

172 students from JECC have registered for participating in the test.

The PAT office would like to provide a 2 day **TCS Specific Training** to those students who have registered, in association with FACE Academy, which holds a very good reputation as experts in TCS specific training.

106 students have expressed their keen interest confirmed their participation in the 2 day program by registering with PAT office agreeing to pay a fine of Rs.400/-, if they miss even a single session of the program.

Proposed program details

Date : **8th and 9th September 2018** (Saturday and Sunday) 9 AM to 4 PM.
Vendor : Focus Academy for Career Enhancement.
Training Fee : **Rs.14,000/-** per batch (60 students) per day.
No of students Confirmed : 106 (Special case - can be considered as 1 batch).
Total cost : Rs.14,000/- X 2 days X 1 batch = Rs 28,000/-

**In addition, lunch and refreshments to be provided for the trainer (1 nos.). Face will take care of the accommodation of the trainer.*

Other requirements

- 1 seminar hall of 110 seating capacity, with board and LCD projector.
- Canteen facility for the participants 8th and 9th.

I humbly request you to consider this request, and issue necessary orders for conducting the program, if found worthy.

Yours Faithfully,

Bibin Joy
(Placement & Training Officer)

Respected Father.

The PAT Office would like to conduct a **4 day 'aptitude competency development training program'** for the current final year students. In order to ensure the overall effectiveness of the program, we propose the following points.

- The program can be conducted in two phases (Phase 1, 2 days + Phase 2, 2 days. Total 4 days)
- Students participating in training without interest and the absenteeism among expected participants were the major problems observed previous years. In order to address this, an advance amount of Rs.500/- can be collected from the students who wish to register and under take the training program. The amount has to be paid fully before the commencement of the program
- If the student attend all the 4 days of training without fail, the full advance amount will be duly paid back or else the same will be retained by PAT as fine and will be submitted to the accounts department.
- The proposed dates for **Phase -1 is 13 & 14 Oct. 2018** (Second Saturday and Sunday) and **Phase -2 is 27 & 28** (Fourth Saturday and Sunday) → Phase two changed to 10th & 11th November 2018

We have received proposals from 4 leading vendors for this program including M/S Konfidence who was our vendor last year. A comparison chart between these vendors, is attached herewith.

If you permit to proceed, we will inform the students and submit the number of participants by next Monday (8th Oct. 2018) morning and can arrange for a vendor meeting on Tuesday (9th October 2018) as per your convenience.

Kindly advise.

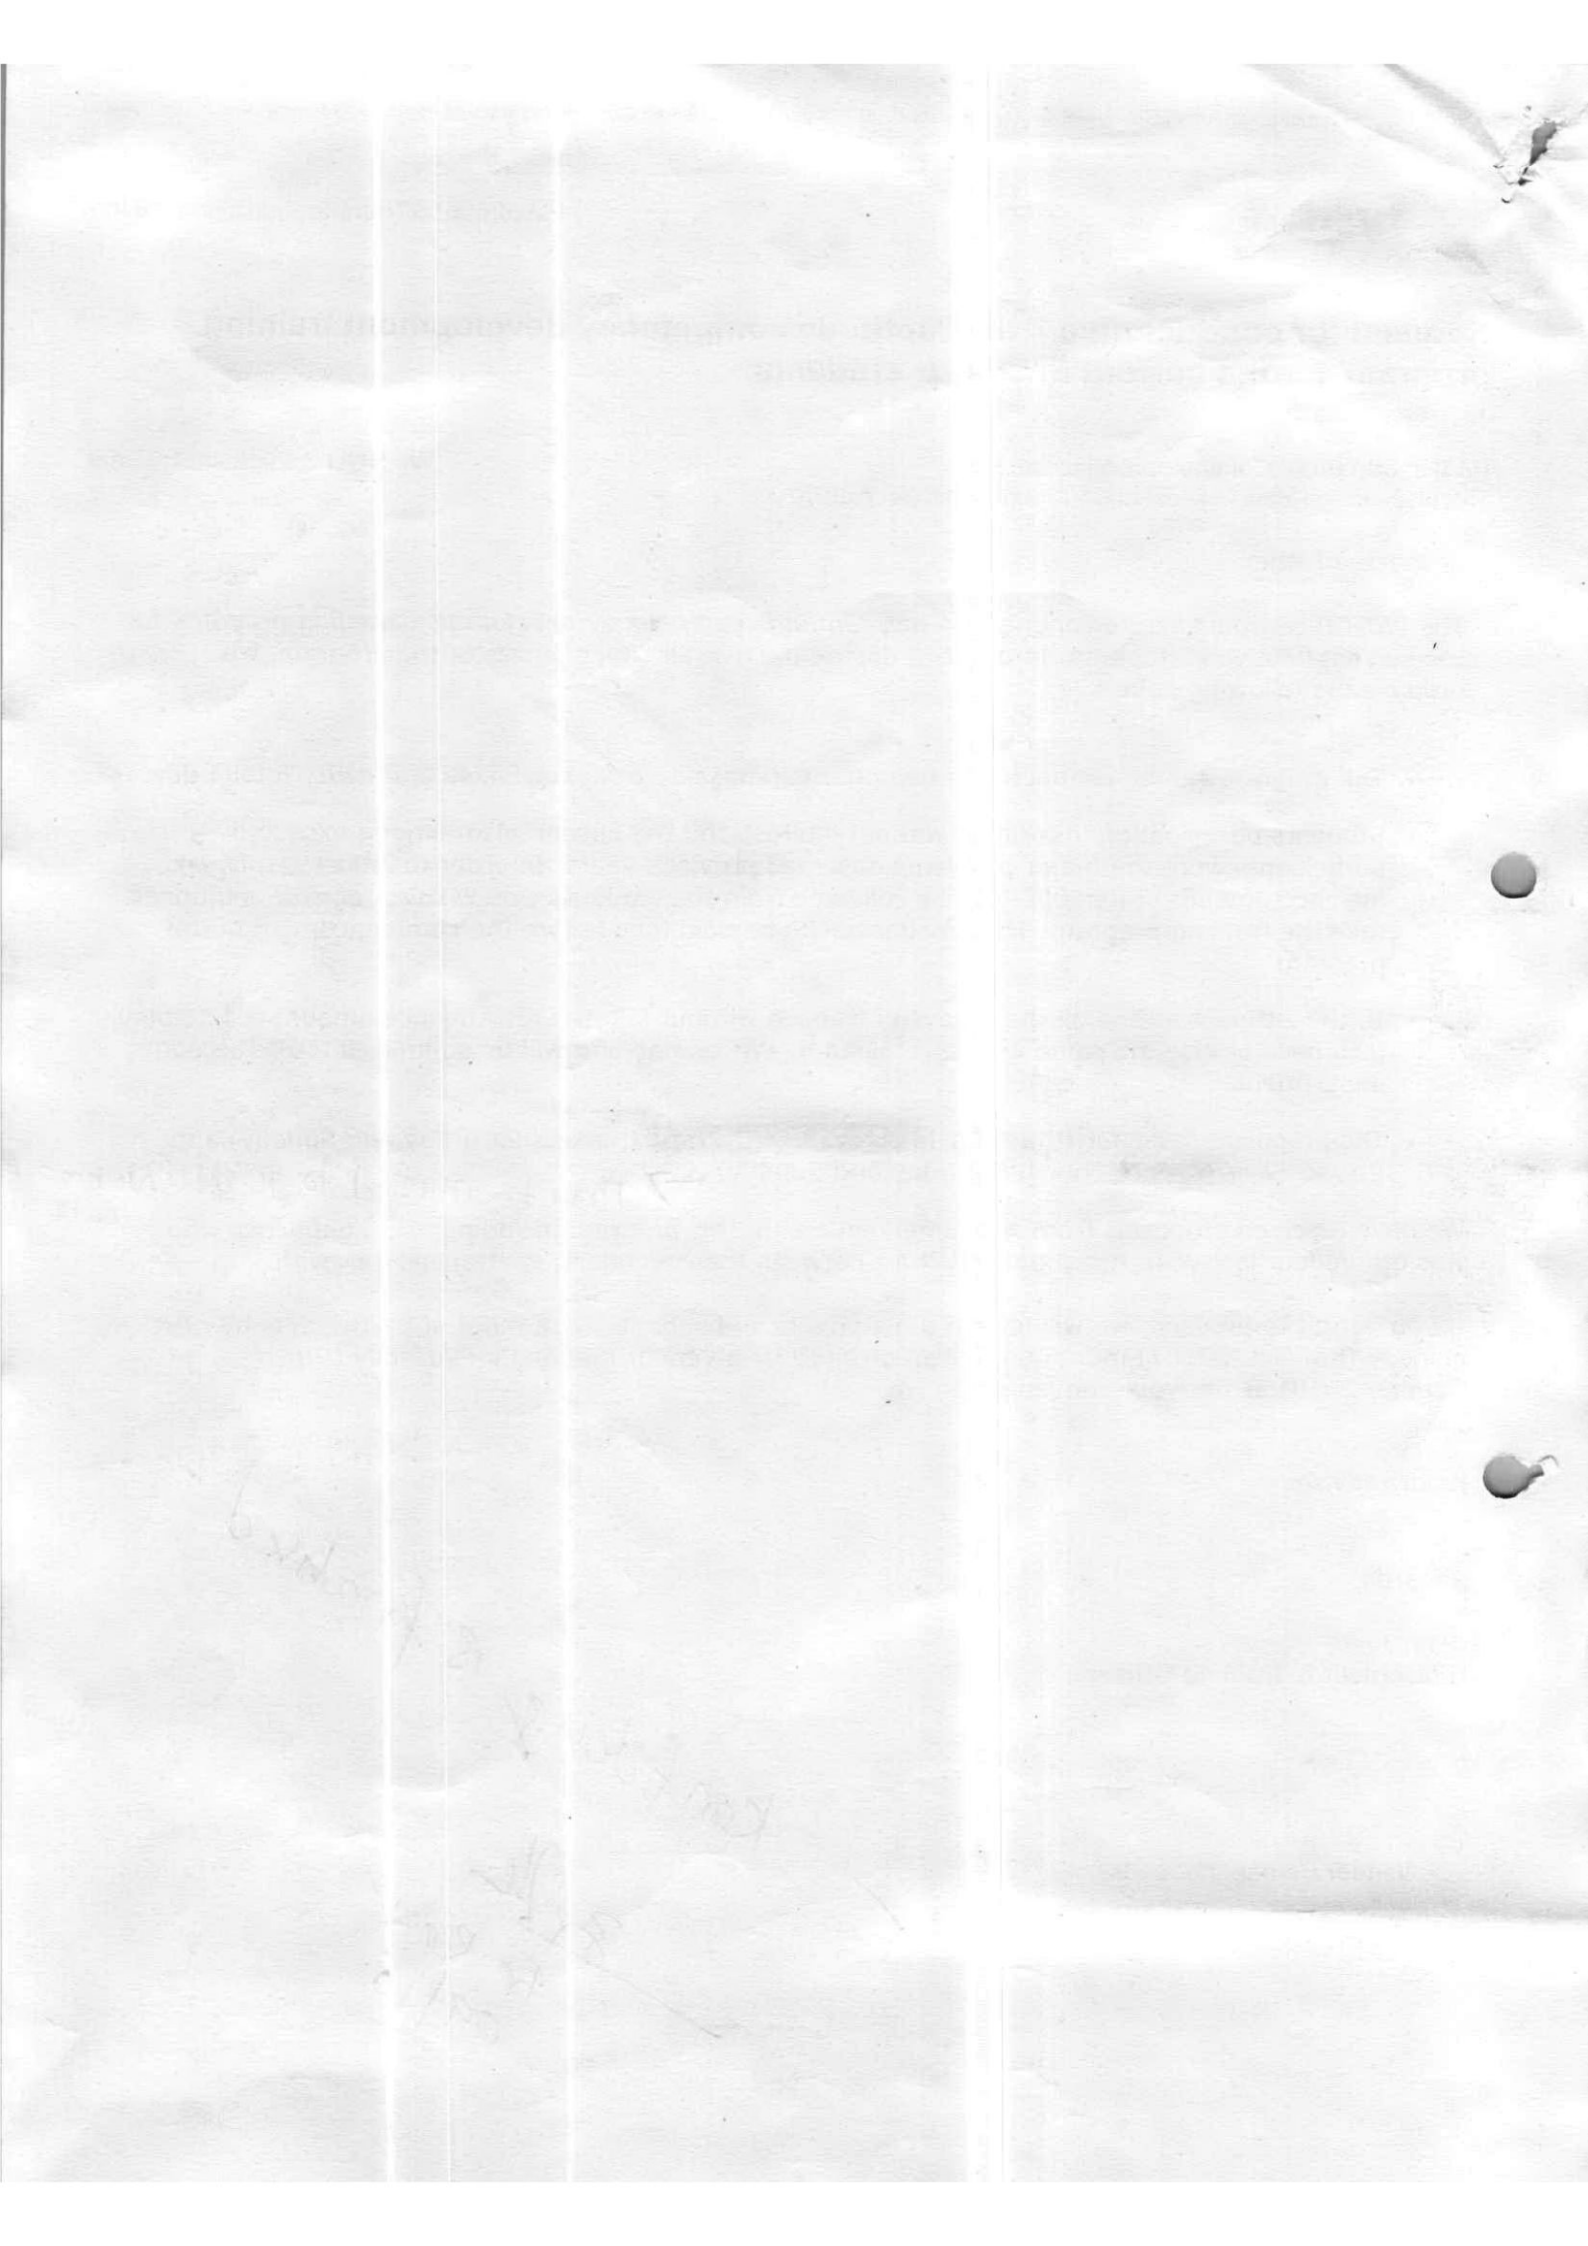

Regards,

Respected Royacha,

This is to bring into your kind attention that we are going to conduct the second phase(2 days) of the '**Aptitude Competency Development Training Program**' for the final year students on **10th** and **11th** Nov. 2018 (Second Saturday and Sunday). As per the instructions of the college council, we have conducted a campaign in the final year classes to find out the possibility of adding one more batch on the above dates. **54** students have expressed their interest so far. (refundable deposit of Rs.500/- yet to be collected.)

Can we proceed to add one more batch (for two days) with this strength?. The training cost will be Rs.28,000/- (Rs.14,000 x 2 Days).

We are conducting one more campaign in all final year classes on Thursday (8-11-2018) . Dr. U Lazar John has kindly consented to accompany myself to the classes to speak to the students for motivating them to participate. We are hopeful of adding a few more numbers to the existing 54.

The number of students registered from different branches, for **batch 1** and **batch 2** are as follows.

SL	BRANCH	Batch 1	Batch 2	Total number of Final year students
	CE	0	19	68
1	CSE	30	5	80
2	ECE	21	10	57
3	EEE	6	5	43
4	ME	25	15	132
TOTAL		82	54	380

Kindly advise on the further course of action.

The class is really useful, but can improve by giving more questions and a study material with solution. - ~~Comments~~

* Interesting class, Try to include the discussion of every exam paper.

3: Class was excellent, Need at more classes to cover more topics

4) The class is really useful. Definitely would like to attend more of this classes - It would be nice if college bus could be arranged at least on Saturday.

5) class was excellent, More such classes must be conducted.

6) class was really good. Thank you very much.

7) Class was nice. Expecting more such classes

8) class was very interesting and useful. Hoping for more classes.

9) The training given is very helpful and the instructors have discussed everything giving a clear idea for approaching competitive exams.

10) The training given is very useful & I think it would help us improve ^{performance in} the aptitude exams coming up. If possible please give us more training in coding ability too.

11) The training was very effective - I think it would be better if more ratio questions are included.

20) Quantitative and logical sections help me to improve the knowledge
● Need to improve my verbal part, kindly make some arrangements
(sections) on verbal section.

21) Four classes on quantitative and verbal ability helped me a
lot. Kindly provide more classes for us.

22) Expecting to conduct more occasions like this.

23) Class was excellent & good.

24) Quantitative & Logical classes are ~~are~~ Excellent.
Need to add more Verbal classes.

25) More solving sections are required. Would like to attend
more sessions like this. It is very useful & can improve
the speed of problem solving.

26) ~~It~~ We should be provided with more sample papers
with keys to work out from home.

27) The classes were very useful. More complex questions shall be
discussed rather than simple ones. Lack of transport is a problem on
Sundays.

28) The class is good and useful. It helps us to know about
the kind of questions and to avoid surprise during exams.

- The classes were great, the part two days could have focused more quantitative aptitude rather than how verbal ability was focused equally as quantitative. The faculty who come to conduct the classes have done a great job.
- As an aptitude training class, classes were very helpful. Since Wipro placement is going to happen in next week, coding classes would be conducted.
- The classes which was arranged was good. And they have scheduled it well by trying to cover many of the topics.
- The placement training class conducted by Konfidence is really useful and helpful. Covered all topics.
- The training program helps me to improve the knowledge in the different areas and covered almost all the topics which we need in the exams.
- The training class held was very useful and also helped. The verbal session was also very helpful since we were not aware of the rules of using pronouns in the sentence and As & I
- The training problem was very useful and helpful. I need more classes like this

Engineering College

Department of Training

Department of Training, Training Program for 2023-24

For more information, please contact the Department of Training, Training Program for 2023-24. The program is designed to provide students with the necessary skills and knowledge to succeed in their chosen field. The program is open to all students who are interested in pursuing a career in the field.

- 1) The first step is to identify the specific skills and knowledge that are required for the job. This can be done by researching the industry and the specific role. Once the requirements are identified, the next step is to develop a plan to acquire these skills and knowledge. This plan should include a list of courses, books, and other resources that will be used to learn the skills and knowledge. The plan should also include a timeline for when the skills and knowledge will be acquired.
- 2) The second step is to enroll in the appropriate courses. This can be done through the college's website or by contacting the admissions office. Once enrolled, the student should attend the courses and complete the assignments and projects. It is important to stay on top of the coursework and to ask for help if needed.
- 3) The third step is to complete the assignments and projects. This is a crucial part of the learning process, as it allows the student to apply the skills and knowledge that they have learned in class. It is important to take the time to complete these assignments and projects carefully and to seek feedback from the instructor.
- 4) The fourth step is to take the final exam. This is the final assessment of the student's knowledge and skills. It is important to prepare for the exam by reviewing the material that has been covered in class and by practicing with sample questions. The student should also be confident and calm during the exam.
