### Brief History and Background

Jyothi Engineering College, Cheruthuruthy (JEC) is a state-of-the-art Engineering College, conforming to international standards. This college is approved by AICTE, vide order South-West Region / F.No. 06/06/KER/ENGG/2002/92 dated 27-05-2002 and affiliated to the APJ Abdul Kalam Technological University, Kerala. JECC is an NACC (B+) accredited college with NBA accredited programmes in CE, CSE, ECE, EEE and ME till June 2022.

The Road Map designed for Jyothi for the next decade envisages an eight-fold increase in student intake with more UG Courses, related PG Programmes and advanced research in highly emerging fields. This will enable the students enrolled in Jyothi to fulfil their ambition of gaining a Ph.D. in any of the engineering disciplines they have studied. From the present status of a conventional engineering college, Jyothi hopes to make a quantum leap into that of an advanced technology and research centre in collaboration with international institutions of repute, eventually transforming itself into a full-fledged Deemed Technological University.

### Institute Objectives

- To be among the most preferred institutions for engineering and technological education in the country
- To bring out the best from its students, faculty and staff — to learn, to achieve, to compete and to grow — among the very best
- To be an institution where ethics, excellence and excitement will be the work religion, while research, innovation and impact, the work culture
- To turnout disciplined and competent engineers with sound work and life ethics.
- To implement outcome based education in an IT-enabled environment.
- To encourage all-round rigor and instil a spirit of enquiry and critical thinking among students, faculty and staff.
- To develop teaching, research and consulting environment in collaboration with industry and other institutions.
